SPONSORSHIP OPPORTUNITIES 2025

# LETTER FROM THE EXECUTIVE DIRECTOR

Dear friends and community partners,

As the Executive Director of The Samaritans on Cape Cod and the Islands, one of the best parts of the job is the opportunity to create new connections within our community. Our Beacon of Hope breakfast on May 8, 2025 will provide such an opportunity - a time to recognize the amazing milestones we have achieved, and to reflect on our goals for working together towards greater suicide awareness and prevention in the years to come.

This event at the Hyport Conference Center in Hyannis will bring together both long-term supporters and those new to The Samaritans. **We hope you will consider sponsoring this event and helping us expand our reach to provide life-saving services to those in need across the Cape and Islands.**

Our mission continues to be to support those who have been touched by suicide and to provide hope to those who feel hopeless. In our first full year as a 988 Suicide & Crisis Lifeline call center, we experienced a 400% increase in call volume and supported more than 30,000 callers.

We have ambitious plans for deepening the impact of our programs, and we invite you to join us in reaching those goals:

- **Crisis Services:** Continue building on capacity to support calls coming in through the local crisis line and recently implemented national 988 Suicide & Crisis Lifeline
- **Grief Services:** Expand programming to support more suicide loss survivors during the times when they are most vulnerable
- **Community Education:** Deliver more suicide awareness and prevention presentations, trainings, and materials to strengthen our community's ability to prevent suicides
- **Outreach Services:** Revitalize and promote programs that support individuals who may be more vulnerable and at a higher risk for suicide

The Samaritans team is eager to begin building and strengthening our connections and increasing our impact in the community. **Your sponsorship will help us reach our ultimate goal - to support those who need it most.** Thank you so much for your support as we look forward to the coming year.

Best,  
Stephanie G. Kelly  
Executive Director
